7. Report from the Chair:

- Hestikin thanked the town for placing the sign on the hill and trimming
- Next Level trimmed trees per the towns request and the neighbor was not happy. All trimming was done in the road right of way.
- Someone called in about stray cats.
- Reminder that all town road work and road issues are to be brought to the town board. Do not contact Next Level directly. Next Level only takes orders from the Town Board.
- Jon and Rachel attended Albany townships meeting to discuss the Albany Fire Contract.
- An email will be sent to Baurichter to contact her construction guy to get a culvert.
- Rachel plans to attend the unit meeting on July 27th.
- Rachel would like to see the updated Transportation Resolution
- Update on highway construction
- Bridge inspections by KBIS. Brushing on the bridges is needed
- Huftel Hill had some brushing done.
- Next Level will spray the bridges earlier
- Land information office is the contact for new fire signs. They are the land owner's responsibility.
- Planning and zoning in Dunn County is updating the ordinance if you want to review it.

- Enforcing Overweight Restrictions on Town Roads. Dunn County Sheriff, Kevin Bygd, and Captain Travis Mayer, discussed enforcement of overweight restrictions on town roads, at the April 27th Quarterly meeting. They indicated that they are looking into scales and training for enforcement as they have lots of complaints. Each portable scale costs \$5,995.00 (without tariffs), and six are required, along with specialized basic-level training for one officer or more, and enforcement is typically on a limited basis and seasonal. Cost for 6 scales and training will be approximately \$60,000.00. It is a difficult law to enforce as there are a lot of loop holes, and they are working with the State Patrol. Any fines issued go directly to the county general fund. Discussion had on the possibility of municipalities pitching in to purchase scales for enforcement purposes and entering into an intergovernmental agreement with the county to share resources and services.
- October 20, 2026 is the banquet and meeting. Dues will be paid next month.
- Kris Komro called about pot holes on his road.
- Scott Hazen said the culvert near his driveway was hit and is chewed up. Board will look at it and decide what to do.
- Mowing will take place and will do a double pass.

8. Public Comments

- Ray and Tom were concerned about the safety on 810th Street and Hwy 85 due to the crushed rock from the culvert. Said they spun out trying to get out.
- Ray and Tom also asked what could be done with the intersection of 810th Street and 90th Ave. the patches do not hold up and the pot holes are a hazard. Rachel explained it would cost approximately \$35,000.00 to redo the intersection.
- Looking into raising the Levy for 2027 to allow more road work to get done. This would require borrowing money. Town board will discuss in more detail at the September 9th, 2026 monthly meeting.

9. Alcohol Licensing:

- Jon made a motion to grant Rock Fall Sportsman's Club a Picnic License for the fishing contest on September 12, 2026 events and Krista Mehling and Melissa Nelson each an operator license. Rachel seconded. Vote taken, two in favor and zero opposed and zero abstained.

10. Hays questioned why the town road driveway tabs are not as wide as what the driveways are required to be per the town driveway ordinance. Suggested having the tabs 32' to match the driveway.
