

Special Town Board Meeting Minutes
Town of Rock Creek
Wednesday, October 29, 2025
Rock Creek Town Hall
7:00 PM

1. Rachel called the Meeting to order. Rachel Kummer, Adam Biesterveld, Jon Koller and Kelly Boardman were present. Pete Hestekin also attended
2. Other Business:
 - Pete lives on 190th and would like the area mowed better for visibility. He would also like to have a 35MPH advisory speed limit put up for safety. When his ditch was mowed they damaged the rock by the driveway. The board will place 35MPH signs and talk with Next Level about mowing and damage.
 - Sylte driveway was looked over and needs to be wider. Driveway is to be 12' with 32 feet at the throat (where the driveway and town road connect)
 - Ebert applied for a driveway permit, the application failed until we get clarification on if Ebert owns lot 4, he needs a culvert and a sketch showing that and more clarity on where the driveway is to be located. Flag the area for clarity.
 - Luke Hayden added a driveway next to his other with out obtaining a driveway permit.
 - Bentin Dairy made a driveway with out a driveway permit and it is not up to code and is damaging the town road. The board will review both of these at the November meeting.
 - Kelly to contact John Winter to do some maintenance to the town hall: kitchen door leaks and latch is broke. And seal to keep out the mice, Furnace door needs better weather stripping, the shop doors need new weather stripping, 3 new commercial door knobs to be purchased. And have John look at the cement outside along the wall.
3. Budget was looked over
4. Next budget meeting was set for November 6, 2025 at 7PM
5. Jon made motion to adjourn the special board meeting, Adam seconded.
