Board members present Harry Warden, Rachel Kummer, Steve Dahl, Lisa Pronschinske and Kelly Boardman.

Harry met with Cedar Corp and Ayres and Associates and went over the 810th Street Bridge project.

Both firms submitted qualifications and a proposal. Both were very comparable.

Ayres noted the high line may be an issue. Cedar did not mention this. Will it be a part of the 80/20? Will we be responsible for moving the power line or will Dairyland?

Rachel made motion to contract with Ayres and Associates for Engineering Services for the bridge on 810th St. Steve seconded, a vote was taken and all were in favor.

The DNR will place a carcass box at the town hall for cwd testing.

Motion to adjourn was made by Steve and seconded by Rachel, vote taken all in favor.
