2. Meeting called to order at 7:04pm.
3. Welcomed Kirsten Francis to the committee.
4. Minutes from July 14th were updated, verbiage needed to be clearer on 5c. Motioned by DB; SL 2nd, vote taken all in favor.
5. Pickle Ball Grant updates – no new amounts have been awarded at this time. There are still a few out there waiting for the deadline to approach.
6. Discuss housing options for pickleball equipment near the courts – for now they are stored under the pavilion. Looking for any feedback from pickleball players!
Feedback we have received:
 - a. All positive!
 - b. Fencing between basketball courts and pickleball courts would be helpful!
 - c. Benches would be enjoyable.
7. Donation tier recognition for pickleball courts - We are waiting to see if any additional grants are awarded to the courts to determine how we will execute this (Spring 2023).
8. Edit/Review Park Guidelines – general consensus for reserving the pavilion was to keep it they way it is, non-formal and no formal contract to sign. Add Kirsten to the bottom of the park committee members. Also add 'donations' to guidelines to encourage additional funding for improvements and maintenance and upkeep towards the park. A donation box could be added to the pavilion to collect donations too!
9. Sign off on bills/receipts
10. Open comments from Committee Members:
 - a. Missy – reminder for adding bathroom hooks in the stalls in the women's restroom.
 - b. Roy – received feedback from public about lowering the speed limit sign by the park. Roy is attending the meeting on Sept. 14th to see what happens next. Reminder about getting basketball lines touched-up, Spring 2023? Review on call schedule.
 - c. Scott - none
 - d. Derrick – Inquired about the park balance.
 - e. Austynn – none
 - f. Kirsten - none
