

Town of Rock Creek, Dunn County, WI
Ordinance Number: 2020-10-15 (Rev 2026-03-18)

1.01 Title. Recycling Ordinance for the Town of Rock Creek.

1.02 Purpose. The purpose of this ordinance is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in s. 287.11, Wis. Stats., and Chapter NR 544, Wis. Administrative Code.

1.03 Statutory Authority. This ordinance is adopted as authorized under s. 287.09(3)(b), Wis. Stats., and the Town of Rock Creek.

1.04 Abrogation and Greater Restrictions. It is not intended by this ordinance to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.

1.05 Interpretation. In their interpretation and application, the provisions of this ordinance shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this ordinance is required by Wisconsin Statutes, or by a standard in Chapter NR 544, Wis. Administrative Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the Chapter NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.

1.06 Severability. Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.

1.07 Applicability. The requirements of this ordinance apply to all persons within the Town of Rock Creek.

1.08 Administration. The provisions of this ordinance shall be administered by the Town of Rock Creek Town Board, or its designee.

1.16 Responsibilities of Owners or Designated Agents of Multiple-Family Dwellings.

- 1) Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in s. 1.11(5) through (15):
 - a) Provide adequate, separate containers for the recyclable materials program established in compliance with the ordinance. The number of recycling containers shall equal or be greater than the number of trash containers and at least one of the following shall be met:
 - i. The minimum total volume of recycling container space is equal to 20 gallons per week per dwelling unit.
 - ii. The ratio of trash container volume to recycling container volume is at most 2:1.
 - iii. An alternative method that does not result in the overflow of a recycling container during the time period between collection of materials and delivery to a recycling facility.
 - b) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
 - c) Provide for the collection of materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.
 - d) Notify tenants which materials are collected, how to prepare the materials to meet the processing requirements, collection methods or sites, and locations of drop-off sites to recycle materials not collected on site.
- 2) The requirements specified in 1) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 1.11(5) through (15) from solid waste in as pure a form as is technically feasible.

Town of Rock Creek, Dunn County, WI
Ordinance Number: 2020-10-15 (Rev 2026-03-18)

1.17 Responsibilities of Owners or Designated Agents of Non-Residential Facilities and Properties.

- 1) Owners or designated agents of non-residential facilities and properties shall do all of the following to recycle the materials specified in s. 1.11(5) through (15):
 - (a) Provide adequate, separate containers for the recycling program established under this section. The total volume of recycling containers shall be sufficient to avoid overflow during the time period between collection of materials and delivery to the recycling facility.
 - (b) Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
 - (c) Provide for the collection of materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.
 - (d) Notify users, tenants and occupants which materials are collected, how to prepare materials to meet the processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.
- 2) The requirements specified in 1) do not apply to the owners or designated agents of non-residential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 1.11 (5) through (15) from solid waste in as pure a form as is technically feasible.

1.18 Prohibitions on Disposal of Recyclable Materials Separated for Recycling.

No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in s. 1.11 (5) through (15) which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

1.19 Enforcement.

- 1) authorized officer, employee or representative of the Town of Rock Creek may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee or authorized representative of the Town or Rock Creek who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.
- 2) Any person who violates a provision of this ordinance may be issued a citation by the Town of Rock Creek Town Board, or its designee, to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.
- 3) Penalties for violating this ordinance may be assessed as follows:

Town of Rock Creek, Dunn County, WI
